Eric,

We can schedule a follow-up to the February 2nd meeting the afternoon of Thursday, February 4th. Carl is not available on Wednesday, February 3rd and it is critical that Carl attend any meetings about risk management. Is EPA available to hold a meeting on Thursday afternoon?

Eric,

I spoke to Bob this morning and he is not available on Wednesday afternoon to attend a follow-up meeting on the benthic risk assessment comments nor would it allow us time to debrief the LWG Executive Committee before February 5th. Can we hold this meeting on Monday,

February 1st? Both John and Bob are available on Monday except between 11 and 2:30.

The best times are the 3rd, 4th and 5th. We are also looking at setting up a focused meeting as a follow-up to our February 2nd meeting that would also take place on the 3rd, 4th and 5th.
